Title: Hit the Coach **Duration**: 10-15 minutes

Setup: 15x15 yards (bigger if needed)

Description: The players chase after the coach and with the balls at their feet and they try to hit the coach as he runs around. Set up 4 boxes around the field with cones and when the coach goes into one of the boxes, each player shoots at him from outside the box.

Make if fun: This is a game that all kids like, so exagerate and yell “Ouch” when they hit you with a ball. You can also make silly animal noises when they hit you.
