Rec Refunds- The purpose of this meeting was to determine how the board wanted to move forward with the spring 2020 Rec season. After discussing many options and looking at our current financial situation, the option to offer a 20% percent refund to Rec players that have paid in full and the option to play “street soccer” Thursday nights in the month of July was presented. Cyndi Gomez made the motion to offer this option, John Cody second the motion and all attending board members voted in favor (total of 11 in favor).

John Cody and Jennifer Perry will start the process to issue these refund to the players. There will be a notification to the players on the time frame the refund will be issued and the information about the “street soccer” nights to play.

Donna Smith will check in with Jessie Clayton (Concessions Commissioner) to determine if she will be able to have concessions opened during these nights. If concessions is opened, we would keep it to only prepackaged food and drinks at this time.

The board will discuss any other discount options or plans for the Select and the Fall season at upcoming board meetings.

Elections- There are several positions that are up for election this summer. John Cody is going to post all openings to the website. Nominations will need to be sent to Cyndi Gomez (VP) for her to organize the elections. Any current board member that is in a

position up for reelection, should let Cyndi know if that would like to rerun for the position.

Meeting was adjourned at 8:01 PM
